SELECTMEN'S MESSAGE

Office Hours: Monday 7:00 pm – 9:00 pm

1. We commend the Planning Board for their diligent consideration of the Patnode subdivision off the Old Walpole Road. It is one of the largest projects ever considered in the history of Surry. Great job!
2. Our Highway Department was particularly challenged in 2008 with frequent and heavy snow storms, resulting repairs, and later the record high cost of asphalt, fuel and salt. Thanks for persevering!
3. The Police and Fire Departments rose to the occasion when asked to seriously limit their spending to compensate for problems in other budget areas. The Selectmen very much appreciate your willingness and understanding in a very, very tough year.
4. A sand/salt shed was added to the Highway Department facility resulting in much less leaching of salt into groundwater. Thanks to the Conservation Commission for the design and successfully leading the way.
5. We would like to thank Fred Breton for his dedication as Surry's Emergency Management Director and encourage all to support him in those efforts.
6. Many thanks to those who volunteer their time to make Surry a better place by serving on boards or committees, or caring for the town common and library grounds as does the Lane family, or for other civic acts with which we are unaware. It takes willing people to make a community!
7. Once again we are asking for money to be placed in an expendable trust to rehabilitate the town hall and carriage shed. We are very frustrated 2008 brought us no visible results and promise to redouble our efforts in 2009.

8. We are also asking to create a new capital reserve fund to replace the Joslin Road bridge whose footings have been seriously undermined by the Merriam Brook, continuing in our efforts to raise money for future needs and minimize our need to borrow.
9. We would like to remind you that if you are making any additions to your current building or erecting a new building, please contact the Selectmen's office for a building permit.
10. You may notice that renewing a vehicle registration takes longer now at the Town Clerk's office. The registration form has been redesigned primarily to facilitate police work throughout the state and the result is that our clerk no longer receives preprinted renewal registrations so must completely type each registration. Please be patient as we all adjust to the new reality, and remember the clerk's office is open both Monday and Thursday evenings.

LIST OF TOWN OFFICERS

APPOINTED*

**STATE OF NEW HAMPSHIRE – TOWN OF
SURRY
COUNTY OF CHESHIRE
TOWN WARRANT - 2009**

To the inhabitants of the Town of Surry, in the County of
Cheshire, in said State, qualified to vote in Town affairs.

**You are hereby notified to meet at the Town Hall in
Surry on Tuesday, the 10th of March, 2009 from 2:00
p.m. to 7:00 p.m. to cast written ballots to act upon the
following articles:**

1. To choose all necessary Town officers as listed on
the official ballot.
2. Are you in favor of the adoption of amendment 1 to
the Town Zoning Ordinance as proposed by the
Planning Board as follows: To delete the section
titled Information that follows Article XIV and
replace it with:

Article XV

Codes

- A. As authorized by RSA 155-A:3, the
most recent edition of the International
Code Council's International
Residential Code is applicable to all
projects for which a building permit is
required.
- B. In addition, the most recent edition of
the Life Safety Code, NFPA Doc. No.
101 is applicable to new schools, new
halls and new public buildings; and

applicable to all multi-family dwellings except owner-occupied two family dwellings; all lodging, rooming or boarding houses; all accommodations for tourists and overnight guest; all nursing homes and foster homes; all commercial and industrial buildings. (These are the codes to which Surry is presently adhering.)

3. Are you in favor of the adoption of amendment 2 to the Town Zoning Ordinance as proposed by the Planning Board as follows: To insert the following sentence to Article VII D after the sentence *These include proper sizing and installation of system components* and before the sentence that begins *All systems shall be ...*: "All 'individual sewage disposal systems' in the Town of Surry shall be setback 100 feet from very poorly drained soils or jurisdictional wetlands and 75 feet from poorly drained soils."

In addition, you are hereby notified to meet at the Town Hall in Surry on Thursday, March 12th, 2009 for the business meeting at 7:00 p.m. to act on the following articles:

4. To hear the reports of the Town Officers and Committees.
5. To see if the Town will vote to establish the position of Building Inspector, as provided in RSA 673:1 III, to be appointed by the Selectmen, or take any action in relation thereto. (Majority vote required.)
6. To see if the Town will vote to approve an exception to the minimum pavement width of the service roads built or extended in the subdivision approved for Barbara A. Patnode from 24 feet as required by the Road Standards Ordinance to 20 feet as

recommended by the Planning Board, or take any action in relation thereto. This will decrease the impervious surface area, help to preserve the rural character, require the removal of less vegetation, reduce the area for town maintenance and reduce the carbon footprint. (Majority vote required.)

7. Per RSA 231:22-a, to see if the Town will vote to authorize the Selectmen to accept for ownership and maintenance an eastbound extension of Wilbur Road of approximately 450 feet, when it is upgraded at developer's expense from class VI to class V standards in accordance with the Town Road Standards Ordinance for access to the Patnode subdivision, or take any action in relation thereto. (Majority vote required.)
8. To see if the Town will vote to adopt a noise ordinance as posted with this warrant and as authorized by RSA 31:39 I (n), or take any action in relation thereto. (Majority vote required.)
9. To see if the Town will vote to raise and appropriate the sum of \$5,000 to place into the ongoing capital reserve fund for ADA compliance at the Reed Free Library, or take any action in relation thereto. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).
10. To see if the Town will vote to raise and appropriate the sum of \$10,000 to place into the ongoing capital reserve fund for highway equipment, or taken any action in relation thereto. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).
11. To see if the Town will vote to raise and appropriate the sum of \$20,000 to place into the ongoing expendable trust fund known as the Town Hall and Carriage Shed Maintenance Fund, for the purpose

of repairing and maintaining the town hall and attached carriage shed, or take any action in relation thereto. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).

12. To see if the Town will vote to raise and appropriate the sum of \$70,000 for the purpose of making road improvements, or to take any action in relation thereto. (Majority vote required).
13. To see if the Town will vote to create a capital reserve fund, to be known as the Joslin Road Bridge/Culvert Capital Reserve Fund, for the purpose of replacing the Joslin Road bridge, and to raise and appropriate the sum of \$30,000 for this fund, or take any action in relation thereto. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required.)
14. To see if the Town will vote to raise and appropriate the sum of \$372,762 for general municipal operations, or take any action in relation hereto. This total does not include warrant articles addressed individually. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required.)
15. To transact any other business that may legally come before this meeting.

Given under our hands and seal this 16th day of February
in the year of our Lord Two Thousand Nine.

True Copy of Warrant – Attest Selectmen of Surry

Hugh V. Clark, Hugh V. Clark

Edward J. Winter, Jr. Edward J. Winter, Jr.

Another year filled with intrigue and suspense at the Reed-Free Library.

Our bookshelves are overflowing with the latest mysteries and thrillers for the avid reader of Surry. Or, for those of a more relaxed nature, simply turn around in the center of the library to view the many new selections of award winners and popular fiction. No cravings should go overlooked. If we do not have a book you desire, simply let us know. We will either purchase it or find the library that does have it and order it for you.

We also offer reading groups, movies to view, children's programs, and lectures. The 2008 summer reading program concentrated on sharing a book with a friend. Our readers were Melissa Croto-Young, Jeanine LeClerc, Eliza Murphy and Michelle Thornton. Thank you for a job well done. We ended our program with another successful ice cream social supervised by Becky Huntley. Thank you Becky.

And, thanks again to all of Surry for your contribution of books throughout the year. Don't forget our book sale in May.

Respectfully submitted,
Carolyn M. Locke

Surry Planning Board Year in Review 2008

January *Regular Meeting / Public Hearing*

The Board held a public hearing on the development plan from N. Gladke for a commercial property in Surry near the Keene dump. The board held the first public hearing on the Patnode's major subdivision. The meeting was suspended and slated for continuation because of the time constraints.

February *Regular Meeting*

Accepted N. Gladke site plan with conditions listed on the state driveway permit. The Board continued the public hearing on Patnode's major subdivision off Wilbur road and heard from the townspeople on a number of matters and concerns regarding said subdivision.

March *Regular Meeting / Public Hearing*

The board had a continuation of the Patnode subdivision public hearing, hearing from Ed Rogers, a third party engineer hired by the town and John Noonan from SVE.

April *Regular Meeting / Public Hearing*

The Board held another installment of the Patnode subdivision public hearing. Input was read from the fire and police chiefs, as well as the road agent. New topics of concern from the town were discussed pertaining to the development.

May *Regular Meeting / Public Hearing*

The board had final public hearing on the Patnode subdivision hearing from both John Noonan on plan changes and Thomas Hannah, legal council for the Surry Planning Board. Went over a drafted decision and highlighted points to be clarified before a final decision.

June *Regular Meeting*

After presenting the final decision in detail the Planning Board made the decision to accept Patnode subdivision with conditions on a phasing schedule, bonding approval for road construction, and other specific clarifications.

July *Regular Meeting*

A minor lot adjustment was submitted by Collier/Fish on the Joslin Road. A minor (3) lot subdivision was submitted by M. Mackenzie off the Old Walpole Road.

August *Regular Meeting / Public Hearings*

Public hearings were held for abutters and the town to comment on Collier/Fish lot line adjustment. The board accepted the minor adjustment. A second public hearing was held for the (3) lot subdivision proposed by M. Mackenzie. The Board accepted the subdivision with these conditions: state subdivision approval, wetlands permit, and driveway permit.

September *Regular Meeting*

October *Regular Meeting*

John Davis brought a request to the board to change the current wetland setbacks from 75' to 100' on poorly drained soils and 50' to 75' in very poorly drained soils. The board voted to change the number of test pits needed in Subdivision Regulations from (2) to (1), section 9-13.

November *Regular Meeting / Public Hearing*

Held public hearings on the conservation committees request for a steep slope protection overlay district and proposed wetland setback changes. The steep slope protection overlay district needed clearer maps for the Planning Board to make a decision and vote. The wetlands setback change were voted on and accepted and will go to a town vote on 2009.

December *Regular Meeting*

The Patnode's came to provide proof that their final conditions were met, and look for final Board approval. There was a discrepancy about the final road bond amount that had to be addressed through the selectmen.

Surry Conservation Commission 2008-9 Report to the Town

The Conservation Commission meets the third Tuesday of the month, and we welcome interested residents to attend our meetings. We've been busy. The Merriam Farms Inc. restoration has been completed to the satisfaction of the NH Department of Environmental Sciences (DES) and the encumbrance on the land has been lifted. The Commission would be glad to assist residents in applying for the proper permits ahead of excavation work to avoid fines and liens on their land.

The Commission worked with the Planning Board during the approval process for the Patnode subdivision on Wilbur Road, and promoted the interests of the nearby neighbors. The Commission congratulates the Planning Board on its thoughtful, careful consideration of the complex factors involved in this nineteen-lot subdivision, particularly regarding wetlands on the site. The Commission also assisted in the approval process for a two-lot subdivision on the Old Walpole Road.

An excellent conservation partnership has been established with the Monadnock Conservancy. In July, the Conservancy hiked the Graff Town Forest with the Commission to inventory the plant species present. Ask us about the New Yorker fern. The next step is to hire a professional Forester to develop a management plan for the Forest. In November, working with the Forest Society and the Conservancy, the Commission hiked town-owned forest land on Surry Mountain, to establish the boundaries. A return hike in the spring is planned to locate the remaining boundaries. Town residents who wish to hike with the Commission are welcome to join us.

At Old Home Day, the Conservancy surveyed residents about important cultural and natural resources in town. The Conservancy is helping the Commission inventory the town's natural resources and develop a management plan.

Congratulations to the Ellis Barrett family who correctly identified the mystery photos of naturally occurring phenomenon. The correct answers were: deer browse, spore print, and glacial erratic.

The Conservancy hosted three Surry Commission members to participate in their 6-part training in Conservation Easement Leadership. Conservation Easements are a legal way for you to protect your land, forever, in the way you choose. The Conservancy has helped many Monadnock region landowners have put conservation easements on their land. Would you like to help preserve the rural character of Surry? The Commission would be glad to talk with you about the advantages and disadvantages of conservation easements and has funds available to help pay for the legal work

Clean drinking water is limited, even in New Hampshire, and the Commission has been working to protect this life-giving resource. Partnering with the Planning Board, two articles have been placed on the warrant aimed at protecting drinking water: increasing the septic set-backs and a step slope ordinance. The Commission is planning a public information session prior to Town Meeting for residents who would like to come and learn more about our water resources. Just wondering...we might be drinking the water the dinosaurs drank, but could they drink the water we are drinking now?

SURRY FIRE DEPARTMENT ENGINEER'S REPORT- 2008

Another year has passed with no major fires in town. Medical assistance calls continue to increase along with lift assists.

In May Roger Bienvenu resigned as an engineer to concentrate on other endeavors. Mike Bisson was appointed to serve the remainder of Roger's term.

We would like to thank Roger for his many years of dedicated service to the Town of Surry and the Surry Fire Department.

Although the December ice storm left several residences without electricity for nearly 2 weeks, we fared much better than some other area towns as we didn't have any blocked or seriously washed out roads.

A reminder that "burning barrels" are not allowed in New Hampshire and a written permit is required for any outside fires unless the ground is completely covered with snow to a depth to stop the spread of fire. Please call the Fire Warden or one of the Deputies for a permit. We would also appreciate a call even if there is snow cover so we are aware that the smoke is your brush pile.

The engineers would like to thank the department members and the town residents for their continued support and to invite anyone they can spare any time to join us as there is always a need for volunteers. We usually meet twice each month, on the second and fourth Mondays at 7:00 P.M. We can always use a variety of help in both fire and EMS areas.

Respectfully submitted,

Fire Engineers, Town of Surry:
John Berglund, Chief
Durwin Clark
Mike Bisson

SURRY POLICE DEPARTMENT

Year End Report – 2008

<http://home.webryders.net/surry/>

Once again we have begun our summer months with several vehicles break-ins, thefts and vandalism complaints at the Dort Rd parking lot. And once again, almost all of them were the direct result of people either leaving their cars unlocked, the windows down or valuables out in plain sight. We are also experiencing a horrendous amount of littering around the entire Dort Rd area. This mostly consists of liquor and beer bottles and cans. The Lieutenant has been working very hard for over a year now attempting to get some town ordinances in place, primarily some alcohol open container policies, to address this issue. Once those are in effect, hopefully prior to busy season, we'll have another tool at our disposal to help rectify that issue.

Did anyone notice that for about the last three months of 2008, the cruisers haven't been seen around town patrolling much? Did you realize that the entire Town of Surry has had extremely minimal police coverage due to the selectmen want us not out patrolling so that our special detail and operating budgets could be commandeered? Well it's true. Sometime around the beginning of October, the selectmen decided that we didn't need to be out patrolling, claiming the need to balance the books. This resulted in, first and foremost, the lack of basic police protection for the town. We also had planned very carefully and diligently early in the year to have some or our end of year budget available to replace our ballistic vests and obtain some replacement training needs. We now have to take those expenditures out of the '09 budget, potentially leaving us short, because of the inability to plan ahead as we did in '08. We appreciate the fact that times are tough, but essentially eliminating public safety is not a wise thing to do. Typically, as the economy deteriorates, crime increases.

Sometime back in 2006 the Lieutenant began working toward getting the Surry cruisers on the list to have new

computers and electronic controls installed as part of a grant that was available. The waiting list was quite long, and finally came to fruition in the spring of '08. Thanks to that grant, we were able to get both cars outfitted with Project-54 equipment. For those that are unfamiliar with "P54", basically its voice command control for all radio, emergency signaling and records management systems allowing us to keep our "hands on the wheel" as we're using various things. All new equipment was acquired at absolutely NO expense to the town and it was all installed by Office Talbot. If the county ever supports mobile data, we'll be ready!

As usually, we want to extend our thanks to the Surry Fire, Rescue and Highway departments for their continued assistance and support throughout the year.

Respectfully Submitted,

Gerald Clark, Chief of Police

Joel Huntley, Lieutenant

Scott Talbot, Patrolman

Joseph Marquay, Patrolman

SURRY HISTORY COMMITTEE

In 1990 the town of Surry voted to form the Surry History Committee whose purpose was to begin a compilation of post-Kingsbury history. (*Frank Burnside Kingsbury, History of Surry, 1769-1920*).

With the publication of *Surry, New Hampshire, A Twentieth Century History 1920-2000* the initial work of the committee was accomplished. Previously the Committee also published a Pictorial history. The next project was transferring the oral histories taped by Sheila Breton onto CD's. Chris Warman accomplished this with a great savings in time and money for the town. The CD's are available at the Surry Library with a CD player purchased by the History Committee for anyone to use. Copies of individual CD's may be purchased. These oral histories were also typed by volunteers and members of the committee.

Again Chris Warman is helping the History Committee with its final project, publishing the oral histories in booklet form. The booklets will be on sale later this year.

Marilyn Jarvis, Chairperson

EMERGENCY MANAGEMENT REPORT – 2008

The December Ice Storm, resulting damage and extensive loss of power was the largest event affecting Surry in 2008. Power loss to homes lasted from about 34 hours to as long as 16 days. The northern end of the Old Walpole Road, the western end of the Joslin Road, and the northern end of the Mine Ledge Road were the areas most affected.

Most of these affected homes had either electric generators or alternate heat. The town roads were kept open and citizens were able to drive to work and to the stores. Several families left their homes for shelter with friends or relatives.

The Town of Surry escaped the brunt of the storm that severely impacted neighboring towns.

I received no calls for help or aid; however I did find that neighbors were helping their neighbors. The Fire Department did receive several calls to help with flooded basements during that time.

The State continually fails to provide needed training and aid in this field. The prospect for local aid this year appears dismal. I have completed several courses through FEMA and other agencies and hope to continue to do so.

Please contact me for any help that you require before or during an emergency. I can also help you plan for future problems that may occur. I can be contacted at home, 352-5789 or through the Surry Fire Department at any time.

Please plan for emergencies.

Respectfully submitted,

Frederick Breton, Emergency Manager

RECREATION COMMITTEE TOWN REPORT

In 2008 the Recreation Department provided the buffet supper before the Town Meeting.

In August Old Home Day was held during the afternoon. There were History exhibits in the library. The Reed Free Library held a book sale. Activities and games were provided for the children. The Recreation Department supplied dessert for the Firemen's Chicken BBQ.

Have ideas for games? Activities? Fun? Bring your fresh ideas and a little time to our planning meetings so we can have amore expanded and varied celebration. This is not just a day for former or long-standing residents to meet. It is a day for the whole community to come together and enjoy the afternoon getting acquainted with their neighbors and forming new friendships.

Recreation Committee
Maureen Bigelow,
Marilyn Jarvis,
Sharon Sweeney

FEBRUARY 13, 2009

MINUTES OF TOWN MEETING

March 11, 2008

The annual town meeting was opened at 7:00 p.m. by Nancy Callender, Town Moderator. Surry Boy Scout Troop #289 presented the colors for the Pledge of Allegiance.

The polls were opened on March 9, 2008 from 2:00 p.m. to 7:00 p.m. for the purpose of electing the town officers as listed on the official ballot.

The rules of order were given by the moderator as to how the meeting would be conducted.

Supper for residents of town who wished to partake was provided by the Surry Recreational Committee prior to the meeting.

ARTICLE 1. To choose all necessary Town officers as listed on the official ballot. The moderator reported the results of the election.

ARTICLE 2. To hear the reports of Town Officers and Committees. Question moved by Roger Bienvenu, seconded by Edward Winter. ACCEPTED AS PRINTED IN THE TOWN REPORT.

ARTICLE 3. To see if the Town will establish as a town forest as provided in RSA 31:110 the so called Graf property located on tax map 5B lot 74 that was donated to the Town on August 1, 2002 by deed recorded at the Cheshire County Registry of Deeds, or take any action in relation thereto. Question moved by Edward Winter, seconded by David Lane. ARTICLE PASSED

ARTICLE 4. To see if the Town will authorize as provided in RSA 31:112, the Surry Conservation Committee (created on March 9, 1971) to manage the Graf property, if that property is established as a town forest under Article 3 of this Town Warrant, or take action in relation thereto.

Question moved by Edward Winter, seconded by David Lane. ARTICLE PASSED.

ARTICLE 5. To see if the Town will vote to raise and appropriate the sum of \$5,000 to place into the ongoing capital reserve fund for ADA compliance at the Reed Free Library, or to take any action in relation thereto. The selectmen and Budget Committee recommend this appropriation. (Majority vote required). Question moved by Roger Bienvenu, seconded by John David. ARTICLE PASSED.

ARTICLE 6. To see if the Town will vote to raise and appropriate the sum of \$10,000 to place into the ongoing capital reserve fund for highway equipment, or take any action in relation thereto. The Selectmen and Budget Committee approve this appropriation. (Majority vote required). Question moved by Edward Winter, seconded by Fred Foshier. ARTICLE PASSED

ARTICLE 7. To see if the Town will vote to raise and appropriate the sum of \$45,000 for constructing a salt/sand shed, with \$30,000 plus all interest withdrawn from and thus discontinuing the capital reserve fund established for this purpose and the balance to be raised this year through general taxation, or take any action thereto. The Conservation Committee supports this appropriation. The Selectmen and Budget Committee recommend this appropriation. (Majority vote required). Question moved by Roger Bienvenu, seconded by Edward Winter, Robert Fuerderer amended by article to read:

To see if the Town will vote to raise and appropriate the sum of \$45,000 for constructing a salt/sand shed, with \$50,000 plus all interest withdrawn from and thus discontinuing the capital reserve fund established for this purpose and the balance to be raised this year through general taxation, or take any action thereto. The Conservation Committee supports this appropriation. The

Selectmen and Budget Committee recommend this appropriation. (Majority vote required).

Robert Beaudine seconded the amendment. AMENDMENT PASSED, ARTICLE WITH AMENDMENT PASSED.

ARTICLE 8. To see if the Town will vote to create an expendable trust fund under the provisions of RSA 31:19-a, to be known as the Town Hall and Carriage Shed Maintenance Fund, for the purpose of repairing and maintaining the town hall and attached carriage shed and to raise and appropriate the sum of \$60,000 for this fund, with the sum of \$33,942 from fund balance and the remaining \$26,058 from general taxation, and to name the Selectmen as agents to expend from the fund, or take any action in relation thereto. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required). Question moved by Robert Beaudine, seconded by John Davis. ARTICLE PASSED

ARTICLE 9. To see if the Town will vote to raise and appropriate the sum of \$70,000 for the purpose of making road improvements, or to take any action in relation thereto. (Majority vote required.) Question moved by Edward Winter, seconded by Robert Fuerderer. ARTICLE PASSED.

ARTICLE 10. We the citizens of Surry, NH believe in a New Hampshire that is just and fair. The property tax has become unjust and unfair. State leaders who take a pledge of no new taxes perpetuate higher and higher property taxes. We call on our State Representatives, our State Senator and our Governor to reject the "Pledge", have an open discussion covering all options and adopt a revenues system that lowers property taxes or take any action in relation thereto. By Petition. Question moved by Bruce Smith, seconded by Robert Fuerderer. ARTICLE PASSED.

ARTICLE 11. To see if the Town will vote to authorize the Board of Selectmen to petition the United States Postal Service for the issuance of a new and unique ZIP code for the Town of Surry, New Hampshire, or take any action in relation thereto. The petition should also list the many reasons that would be advantageous for the United States Postal Service to issue a new and unique Zip Code such as faster mail delivery, more accurate mail delivery, less confusion for postal service customers. In addition to the Postmaster General, John Potter, the following persons should also be notified with copies of this petition. Senator John Sununu, Senator Judd Gregg, Representative Paul Hodes. By Petition. Question moved by Edward Winter, seconded by Robert Fuerderer. ARTICLE FAILED.

ARTICLE 12. We, the undersigned wish to petition the Town of Surry, in addition to what is presently provided, to appropriate and arrange as needed, for spring, summer and fall seasonal, routine maintenance to the approximate one mile section of town road, known as Mine Ledge Road North, in the Town of Surry, NH or take any action in relation thereto. Such additional care requested to include, but not be limited to: routine care and maintenance done no less than monthly, as deemed necessary by the road agent, but not limited to: grading – to remove the wash boarding ripples and the wash out and craters on the road, also grading to help sculpture to control water run off directed to the shoulders and to help to control or alleviate wash-outs, adding of gravel or crushed stone as needed, filling in pot holes and all else that will maintain the road in a safe manner for vehicles and school bus. Presently there now are approximately eighteen homes on this one mile stretch of road. With the increased growth of homes and volume of traffic on the Mine Ledge Road North, and the addition of revenue of the Town's tax base due to this growth, this basic and timely maintenance is not unreasonable. By petition. Question moved by Robert Beaudine, seconded by Edward Winter. Much discussion held. No one who signed the petition was there to speak on it. Hugh Clark and Roger Bienvenu made motion to pass

over article, seconded by Robert Fuerderer. PASSED TO MOVE OVER THE ARTICLE.

ARTICLE 13. To see if the Town will vote to authorize the Selectmen, in the best interests of the Town, to dispose of two pianos in the town hall, or to take any action in relation thereto. Question moved by Roger Bienvenu, seconded by Tim Peloquin. ARTICLE PASSED.

ARTICLE 14. To see if the Town will raise and appropriate the sum of \$347,955 for general municipal operations, or take action in relation thereto. The total does not include warrant articles addressed individually. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required). NEW FIGURE; \$349,955.00. Question moved by Robert Gewanter, seconded by Leslie Carlson. ARTICLE PASSED.

ARTICLE 15. To transact any other business that may legally come before this meeting.

Larry Sportello wanted to thank people for efforts put forth to pull out of the school district.

Sandra Winter, secretary to the selectmen who resigned, was thanked for her service who in turn thanked selectmen for their hard work.

Matthew Clark spoke on the small print in the town report and suggests we go to bigger print.

Richard Colburn asked about the school in town. Was told there would be some more information at the school meeting which was held on April 29th.

Robert Fuerderer wanted to thank the moderator for her fine work.

Edward Winter wanted to thank the Recreation Committee for the luncheon before the meeting.

Roger Beinvenu moved to adjourn meeting, seconded by Edward Winter.

Meeting was adjourned at 8:30 p.m.

Respectfully Submitted,

Darlene Clark,
Town Clerk

Annual Report of the Surry School District Officers **2008-09**

The Surry School District held its Election of Officers on March 11, 2008. The officers are listed at the end of this report. At the Surry School District Business Meeting on April 29, the voters supported the warrant articles and budget as put forth by the Surry Board of Education. We are pleased to include the report of our work in this Report of the Town Officers.

On July 28, the Surry School District purchased the Surry School from the Monadnock Regional School District. This was a landmark accomplishment. The building, although unfurnished, was in fairly good condition. It is insured; the heating, water, telephone and alarm systems have been inspected and repaired as needed. A facilities maintenance plan is under development. The Facilities Use Policy by outside groups for educational, recreational, social, civic and philanthropic purposes has been written.

In this current academic year, we have rented the Surry School to the Surry Village Charter School for its after-school program, as well as occasional classroom and community activities. They are also providing all interior and exterior maintenance and building supervision services and have provided furniture. The Charter School's use of the building helps preserve the building's status as a school. Much of the property was gifted to the Surry School with the understanding that it remains part of a school and our relationship with the Charter School is in keeping with that understanding. At the next annual School Meeting, on March 19, future uses of the building will be discussed, including the Charter School's request to rent the entire building next year.

With the resolution of a few initial "growing pains," the transition of Surry students has gone well. Of the 70 public school students in Surry, 16 attend Jonathan Daniels or Symonds Elementary School, 18 attend Keene Middle

School and 22 attend Keene High School. The remaining 14 students attend Monadnock Regional High School. Surry has signed contracts with Keene for twenty years at the high school and middle school levels, and two years at the elementary level. After the annual School Meeting, the Board will begin to examine the options for elementary children in Fall 2010 and beyond. The School District has also contracted with First Student for bus transportation.

The Surry School Board is focused on how to best receive administrative services. NH law requires each school district to be part of a School Administrative Unit (SAU). Although we withdrew from the Monadnock School District, we did not withdraw from SAU #38. That split withdrawal has caused a degree of controversy within SAU #38. SAU #38 has provided special education and home schooling services, but for most of the year declined to provide the remainder of the required services. Consequently, the Surry School Board has performed most of the administration usually performed by an SAU. The Board explored joining SAU #29 but that is not a possibility for this upcoming academic year. The Board will continue to seek a permanent SAU solution.

The Board of Education was pleased to appoint Fred Breton as Emergency Management Officer for the School District. He will be evaluating the emergency plans for the Monadnock and Keene Schools that Surry students attend, as well as writing the emergency plan for Surry students.

Running a School District has a steep learning curve. The Surry Board of Education would like to warmly thank Surry for the help and encouragement we have received from residents, Selectmen and Budget Committee during the past year. Thanks also to Philip Hamblet for donating a photocopier to the School District.

The Board of Education's winter meeting schedule is alternate Thursdays, at 7:00 pm at Surry School. Meeting notices are posted at the school, the Town Hall, and the

Fire Station. Also look for notices in the Surry e-mail and the Keene Sentinel. The public is encouraged to attend.

While the physical address of the Surry School District is 449 Rt. 12A, our mailing address is Surry School District, P.O. Box 1463, Keene. The classroom phone number is 352-8050 and the School District phone number is 352-8060. For quicker response, the School Board suggests you call members directly, at the following numbers:

Respectfully Submitted,

Wayne Brown, Chair	357-6382
Timothy Peloquin, Vice Chair	357-4073
Bonny LaRocca, Secretary	357-7427
Helen Smith, Clerk & Treasurer	313-7292
Mark Gross	352-2250
Caroll Lothrop	352-1878

Thank you to Bob Bergevin who got a laptop donated to the School Board.

Surry Village Charter School Surry Town Report

The Surry Village Charter School (SVCS) is a State authorized open enrollment public school. Parents do not pay tuition as long as they are legal residents of New Hampshire. Partial funding is provided by the State of New Hampshire, SVCS raises the balance of its budget through fundraising. The Surry Village Charter School was founded by Surry residents and local educators to provide a local public school option. The charter school model is one method to maintain a viable student population in relatively small towns such as Surry.

SVCS opened in 2006 with 26 students K-grade 5 in portable modular buildings after being denied use of the Surry Elementary School by the Monadnock School Board. The mission of Surry Village Charter School is to provide a challenging and rigorous education for children in an environment that emphasizes creativity, collaboration, community, diversity, and service. New Hampshire Curriculum Frameworks and Grade Level Expectations form the basis of the curriculum. As a village school, students are engaged in real world activities that connect them to the local community.

2007-2008 School Year

The 2007-2008 was a year of growth and change SVCS expanded to grade 6, enrollment increased, an additional teacher was hired and an office building was added to the school campus. Community events for the year included: Adult Workshops, Pancake Breakfast, Winter Holiday Celebration, Spaghetti Supper, Woodland Dwelling workshop, Yard Sale and All School Gatherings. Students also worked with local residents on projects involving cider pressing, maple sugaring, map skills and farming.

SVCS students scored above the state average in all areas of the New Hampshire state standardized tests. Parents of

SVCS students, who have moved on to middle and junior high school, report that their children were well prepared and are academically successful.

SVCS was awarded \$150,000 from the US Department of Education. This grant supported the purchase of materials and supplies, provided professional development for staff and funded the creation of a Curriculum Coordinator position. Additionally, SVCS raised over \$100,000 for operational expenses through its annual fund and other fundraising activities.

2008-2009 School Year

This year SVCS has maintained its grade levels at K-6 and continues to offer before and after care for families. Additionally, SVCS hired two new classroom teachers and a Curriculum Coordinator. SVCS has added weekly Physical Education and Spanish classes, and is currently seeking a music teacher. All Surry residents are invited to the monthly Spotlights on Learning for a tour of the school. For more information please contact the school at 357-9700 or visit on-line at www.surryvillagecharterschool.org.

Ashuelot River Local Advisory Committee

Washington Lempster Marlow Gilsum Sullivan Surry
Keene Swanzey Winchester Hinsdale

2008 Annual Report

This year the Ashuelot River Local Advisory Committee (ARLAC), along with other NH Local Advisory Committees, was honored with the *President's Volunteer Award* in April, and the *Spirit of NH Volunteer Service Award* in the State and Local Government category in November for our efforts to advise the NH Department of Environmental Services (DES) and our communities on actions and issues to protect and manage the Ashuelot River. This year also commemorated the 20th Anniversary of the NH Rivers Management and Protection Program. The Ashuelot was designated as a protected river in 1993. ARLAC members, nominated by local municipal officials and appointed by the Commissioner of DES, have been educated in a broad array of issues associated with the River and its watershed. It is the hope of the committee to be a resource that works well between the interests and concerns of the citizens in the watershed and State authorities.

This year we performed site visits and submitted comments on 10 projects occurring in Washington, Keene, Swanzey, Winchester, and Hinsdale; 2 NH Department of Transportation projects; and actions on state land in Keene and Winchester. Letters of support were submitted for a NH Office of Energy and Planning grant to the town of Marlow for development of a Natural Resource Inventory, and in support of the final report of the DES Ashuelot Pond Drawdown Study. Comments were submitted to the Silvio Conte Comprehensive Conservation Plan. ARLAC continued to follow legislation and rulemaking, supporting changes to the Comprehensive Shoreland Protection Act, and HB 384 safeguarding surface waters by requiring more stringent reporting of failed septic systems on

19 Spring St., Swanzey, NH 03446, (603) 352-0987

lakes and rivers. We also supported the passage of the comprehensive Alteration of Terrain rules established late this year. We continued participation as a member of the NH River Restoration Task Force and support the removal of the Homestead dam which has been delayed for another year. This year Keene adopted parts of the 2006 Ashuelot River Corridor Management Plan into its Open Space Ordinance.

The Ashuelot River water quality monitoring program in conjunction with the DES Volunteer River Assessment Program (VRAP) continued for its eighth season. Ten sites were sampled from Washington to Hinsdale. Analyses were done for temperature, pH, total phosphorus (TP), dissolved oxygen, turbidity, conductivity, and metals with the City of Keene donating lab services to analyze samples for cadmium, copper, lead and zinc. ARLAC members, working with community volunteers collected samples monthly from May through September. E. coli samples were obtained monthly in July, August and September. Additional sampling in Swanzey was funded by the Swanzey Conservation Commission to assess TP and E.coli in W. Swanzey. Data are available online at <http://academics.keene.edu/pegglest/AshuelotRiver.htm> or <http://des.nh.gov/organization/divisions/water/wmb/vrap/ashuelot/index.htm>.

In October ARLAC co-sponsored a cleanup of the River from upstream of Ashuelot River Park to the Thompson Covered Bridge in Swanzey as part of the Source to the Sea cleanup. A total of 204 volunteers removed 3,976 pounds of garbage plus 25 shopping carts from the River. Also this fall NH Protected River signs were purchased and posted in Marlow, Swanzey and Hinsdale.

ARLAC heard presentations on the results of The Nature's Conservancy's culvert study, which found most dams in the watershed and 20% of culverts are a severe barrier to the movement of species in the streams; Keene State College students' study of coal tar pollution in Mill Creek; and the Society for the Protection of NH Forests' plans for land conservation within the Ashuelot River watershed.

19 Spring St., Swanzey, NH 03446, (603) 352-0987

ARLAC invites interested parties to join us at our monthly meetings in Keene on the third Tuesday. Do contact your local ARLAC representatives or the Southwest Region Planning Commission for more information.

Respectfully submitted,
Barbara Skuly, Chairman

2008 Membership: Linda Fuerderer -- Marlow; Pablo Fleischmann -- Gilsum; Jim Holley, Jo Beth Mullens -- Keene; Barbara Skuly, Stephen Stepenuck -- Swanzey; John Stetser, Dan Carr- Winchester; Terri Mitchell -- Hinsdale.

19 Spring St., Swanzey, NH 03446, (603) 352-0987
